T-P100 Quartz Time Recorders

The unique Time-Precision T-P 100 time clocks have been designed to be truly "set and forget". They are fully automatic for all functions and time adjustments. Simply insert your card and a clear, accurate clocking is printed. High-tech and reliable, these time recorders set a new standard for the industry.

- Easy to read, analog clockface with L.C.D time and date display on top of the unit. (T-P 100A)
- Large, clear L.C.D time and date display. (T-P 100D)
- Tough ABS construction for robust use.
- High quality, maintenance free, long life print head.
- 6 clockings per day per employee.
- Accepts 17 popular styles of time card.
- Automatic IN/OUT printing and spacing to stop over clocking. (Foot proof).
- Automatic hour adjustment for Summer and Winter time change.
- Automatic month-end and leap year adjustment.
- Built-in battery backup for time, date and memory auto-reset after power failure.
- Selectable payroll cut-off date for weekly, monthly, semi-monthly and bi-weekly.
- Optional full use battery backup, for clocking when power is off.
- Selectable print formats: Date and time, Day and time (12 or 24 hour format).
- Standard 60 minute or 1/100 (decimal) and 1/10 hour time printing.
- Wall or table top mounting.
